Remarks Tucked away on a quiet cul-de-sac in Blue Ridge, this custom 2 story home is rather unique. Gorgeous hardwood floors, 9' ceilings, very large rooms and 2 kitchens! One is a Kosher kitchen and the other is a summer style kitchen in an all season patio room, add to that a great grill house just outside the back door for the ultimate cooking experience. The quality in this home is solidly built and it has been maintained in pristine condition. Solid 6 panel doors, chair rail and molding, double insulation (16" in attic), eat-in kitchen with vaulted ceiling, stainless appliances, solid surface counter tops, double ovens & built-in desk, large laundry room with utility sink, fitness room that also houses a tech center for the digitally inclined, all the rooms are hardwired with voice, data, and cable ports, as well as a full bath, extremely large walk-in closets in all of the bedrooms, a huge loft area that makes a great 2nd family room, an enormous great room with fireplace, sitting area and media area. The master suite not only offers an extremely large his & her closet but also a nursery or private study and a wonderful full bath and it is all on the main level. The dining room is abundant offering plenty of room for dining with a large party of people. There are so many things to love about this home but the all brick exterior, the flower gardens and vegetable gardens that are deer proof, the outdoor gardening shed and the gorgeous landscaping will really entice those who love the outdoors. As for location, it is just minutes to IU, downtown Bloomington and Highway 37.
